

CS Colour Match Lamp

Colour Match Lamp

:: CHARACTERISTIC

The Carsystem Colour Match Lamp is a rechargeable LED hand-held work lamp for matching colour shades before painting. The housing protects against dust and water and is extremely robust so the lamp is perfectly suited for bodyshops. The Carsystem Colour Match Lamp provides the option to choose between three different colour temperatures depending on the type of job..

:: APPLICATION

The Carsystem Colour Match Lamp can be used for any colour matching in the bodyshop.
