Compound X1500

High-Performance cutting compound

V01
03/2026

Description

- Water-based High-Performance cutting compound

Area of application

- For extremely fast removal of defects on fresh painted parts and oem coatings

Benefits

- Very high cutting performance
- High gloss level
- High efficency
- Does not dry out
- Silicone-free
- Water-based

Application advice

For maximum performance, we recommend the CS Polishing Pad HC X1500. For sensitive surfaces, we recommend the CS Polishing Pad MC X1500.

The CS Compound X1500 provides very high cutting performance during the first 10 – 15 seconds and has a creamy/ milky consistency. Afterwards, the abrasive components break down and refine, the polish becomes transparent, does not dry out and provides a uniform fine finish.

Product Data

Tecnical data

Shelf life: 24 months from the date of manufacture when stored properly in the original unopened container.

Product must be protected from frost.

Revolutions Polishing machine: Rotary: 600 – 1500 U/min.
Orbital: 2000 – 8000 U/min

Surface

Suitable for all glossy clear coats in the automotive sector.

Safety issues

Directions for handling and waste disposal are in our Material Safety Data Sheet and the specifications of the Employers Liability Insurance Association for the chemical industry.

The before mentioned technical data and information, especially the recommendations for applying and using our products, are based on our current knowledge and experience when applied under normal conditions. In practice, the materials, surfaces or site conditions are so different that no warranty regarding the working results or liability, arising out of any relationship, can be inferred neither from this information nor from a verbal consultation, except we are charged with intent or gross negligence. In this case the user is obliged to prove that he has informed us about all points required for a proper and promising judgement in writing, in time and completely. Patent rights of any third party are to be observed. Furthermore, our general sales and delivery Terms and Conditions and the latest Technical Data Sheet, which should be demanded, apply.
