🗄 Nano Carnauba Wax

high gloss wax and sealing

CHARACTERISTICS

1

CS Nano Carnauba Wax is a high-gloss wax with nanotechnologies for the extended wax protection and has also dirt-repellent properties. It creates a deep "wetlook" shine, combined with a longer shelf life than conventional wax. The staining on rubber or plastics will be minimized.

CS Nano Carnauba Wax has a water based unique formula and contains no aromatic solvent.

APPLICATION

CS Nano Carnauba Wax is suitable for use in the following areas: Automotive, marine and air freight.

PRODUCT DATA

<u>Colour:</u> yellow <u>Odour:</u> banana <u>pH-value at 20°C:</u> 9 <u>Density at 20°C:</u> 1 g/cm³ <u>Package:</u> 1,0 l bottle <u>Accessories:</u> Microfiber cloth, CS Wax Applicator <u>Storage:</u> 18 months at 18 - 20°C in closed original container

HANDLING

Shake well before use. Apply the CS Nano Carnauba Wax sparingly to the clean, cooled surface, outside of the direct sunlight with a soft polishing cloth. Remove the CS Nano Carnauba Wax from the surface again with a microfiber polishing cloth until a high gloss arises.

SAFETY ISSUES

The before mentioned technical data and information, especially the recommendations for applying and using our products, are based on our current knowledge and experience when applied under normal conditions. In practice, the materials, surfaces or site conditions are so different that no warranty regarding the working results or liability, arising out of any relationship, can be inferred neither from this information nor from a verbal consultation, except we are charged with intent or gross negligence. In this case the user is obliged to prove that he has informed us about all points required for a proper and promising judgement in writing, in time and completely. Patent rights of any third party are to be observed. Furthermore, our general sales and delivery Terms and Conditions and the latest Technical Data Sheet, which should be demanded, apply.

Directions for handling and waste disposal are in our Material Safety Data Sheet and the specifications of the Employers Liability Insurance Association for the chemical industry.
