

CS Star Dust P2

Dust mask

:: CHARACTERISTIC

Carsystem Star Dust P2 is a dust mask without exhalation valve. The adjustable aluminium nose-piece contributes to an improved facial fit and the soft, non-irritating inner lining makes it more comfortable. Due to its low profile it is uncomplicated to combine the dust mask with safety glasses.

:: APPLICATION

The Carsystem Star Dust P2 can be used as protection against all possible dusts. It also provides protection against spray that does not generate harmful fumes. The dust mask is not suitable for protection against paint sprays, welding fumes, gases or sandblasting.

:: PRODUCT DATA

Certificates:	EN 149:2001+A1:2009 CE 0194
Protection level:	fine dust FFP2 NR
Packaging:	20 pcs.

:: SAFETY ISSUES

The before mentioned technical data and information, especially the recommendations for applying and using our products, are based on our current knowledge and experience when applied under normal conditions.
