

:: Staub Stop

tack cloth

CHARACTERISTICS

The tack cloth Staub Stop Standard is perfectly applicable for all painting and associated cleaning works. Its unique impregnation absorbs and holds dust and dry dirt reliably. The carrier material of high standard, loose gauze tissue lets the dust enter to the inner layers and provides additional security and the highest possible dust absorption capacity.

The impregnation is totally free from silicone and wax, absolutely compatible with all kinds of paint and it never dries out.

Special Features:

- universally applicable tack cloth
- very dense tissue
- resinous impregnation
- excellent dust absorption
- adapts easily to the surface upon wiping
- very resistant to abrasion

PRODUCT DATA

MATERIAL DATA:

Carrier: Gauze made of viscose rayon

Thread count: 12/7 (Nm 60/70)

Impregnation: non-drying alkyd resin
(approx. 48 % of the total weight))

Colour: white

Size: 80 cm x 50 cm

05/2021

Packaging: 1 or 5 pieces in a poly-bag

Storage: unlimited, we recommend keeping in the original package

SAFETY ISSUES

The before mentioned technical data and information, especially the recommendations for applying and using our products, are based on our current knowledge and experience when applied under normal conditions. In practice, the materials, surfaces or site conditions are so different that no warranty regarding the working results or liability, arising out of any relationship, can be inferred neither from this information nor from a verbal consultation, except we are charged with intent or gross negligence. In this case the user is obliged to prove that he has informed us about all points required for a proper and promising judgement in writing, in time and completely. Patent rights of any third party are to be observed. Furthermore, our general sales and delivery Terms and Conditions and the latest Technical Data Sheet, which should be demanded, apply. Directions for handling and waste disposal are in our Material Safety Data Sheet and the specifications of the Employers Liability Insurance Association for the chemical industry.
