

:: Greenline Grip

150 mm - 15 holes

CHARACTERISTICS

CS Greenline Grip is a high performance abrasive for machine dry primer sanding of surfaces.

The CS Greenline Grip is sandpaper for a perfect sanded finish before painting. The CS Greenline Grip stands out because of its good initial abrasiveness, its long service life and the very fine sanded appearance. CS Greenline has been specially developed for sanding all colour and paint types for use with the most varied working methods (machine or hand sanding).

APPLICATION

Velcro®-fastening standard performance abrasives for coarse, medium and fine sanding of all paint materials with dust repellent coating for an excellent service life with a very good surface finish.

The 15 holes maximise the dust extraction which results in an extended service life of the abrasive.

PRODUCT DATA

Material data

Carrier material: D - Paper

Bonding: Aluminium oxide in an artificial resin film: integrated

Abrasive grit type: Aluminium oxide

Dispersion: Open

Diameter: 150mm Ø

Grit: P 40 - P 800

Hole system: 150mm Ø with 15 hole system

Accessories: CS Excenter sander, all CS Sanding Blocks Grips, CS Excenter Back

11/2019

Pad Multi premium and Excenter Back Pad Multi plus, Soft Interface Pad

HANDLING

CS Greenline Grip can be used by hand or machine sander. It is recommended always to use an extraction system when sanding as this will extend the service life of the paper.

Note the instructions on the package!!!

SAFETY ISSUES

The before mentioned technical data and information, especially the recommendations for applying and using our products, are based on our current knowledge and experience when applied under normal conditions. In practice, the materials, surfaces or site conditions are so different that no warranty regarding the working results or liability, arising out of any relationship, can be inferred neither from this information nor from a verbal consultation, except we are charged with intent or gross negligence. In this case the user is obliged to prove that he has informed us about all points required for a proper and promising judgement in writing, in time and completely. Patent rights of any third party are to be observed. Furthermore, our general sales and delivery Terms and Conditions and the latest Technical Data Sheet, which should be demanded, apply. Directions for handling and waste disposal are in our Security Safety Data Sheet and the specifications of the Employers Liability Insurance Association for the chemical industry.
